Constitutional and Statutory Provisions:

State Board Rule:

In fulfilling its mission, the Board shall promote the best interests of all public school students in South Carolina by:

1. Establishing a Defined Program (DP), and as necessary, evaluating and modifying a common set of skills, knowledge, and attitudes essential to each student's total development.
2. Analyzing, proposing, establishing, or advocating educational policies or regulations which most effectively and efficiently enhance the learning environment in classrooms.
3. Actively working with the public and interested participants in the educational community, including students, parents, teachers, administrators, school boards, and other public officials, in the planning, development, and assessment of such policies or regulations as may be necessary to achieve the State Board's missions.
